EXPERIENCE | WORSHIP ARTS DIRECTOR

JULY 2013 – AUGUST 2020

Hearcry Chapel is a small church that serves Kissimmee, Saint Cloud, and Harmony, Florida. I was instrumental in helping Hearcry navigate through a difficult transition and grow from 100 people to almost 400 people. During this time, we also transitioned from a rental space and purchased our permanent home. I led all aspects of the Worship Arts Ministry.

SOUTH PARK CHURCH
AUGUST 2010 – DECEMBER 2012

South Park Church is located in the northwest suburbs of Chicago and has a weekly attendance of around 1000 people. I directed all aspects of the music, creative arts, and technical ministries. I developed an infrastructure and relaunched a Communications Ministry and First Impressions Ministry.

EXECUTIVE DIRECTOR OF WORSHIP
COMMUNITY OF HOPE
MARCH 1997 – DECEMBER 2009

Community of Hope is a church located in the suburbs of West Palm Beach. I helped to plant a church, raised leaders, built teams, and led all aspects of worship, creative arts, and media ministries.
